Despite the watch being the size of a van up on the screen, I wasn't able to see what kind it was before the shot changed. I kept an eye out for it for the rest of the movie, but had no luck on identifying it. These are the best pictures I could find on the internet: fully exposed, partially covered by sleeve, and side profile. The world's top protection agent is called upon to guard the life of his mortal enemy, one of the world's most notorious hit men. The relentless bodyguard and manipulative assassin have been on the opposite end of the bullet for years and are thrown together for a wildly outrageous 24 hours. During their journey from England to the Hague, they encounter high-speed car chases, outlandish boat escapades and a merciless Eastern European dictator who is out for blood. 05 Aug 2022 3:40 PM +00:00 UTC Where is the best place to watch and stream The Hitman's Bodyguard right now?
